Best Practices for Coaching Soccer in the United States

The 70-page “*Best Practices for Coaching Soccer in the United States*” coaching book represents a series of recommendations compiled and reviewed by U.S. Soccer’s Director of Coaching Education Bob Jenkins in conjunction with the U.S. Men’s and Women’s National Team coaching staffs. Ultimately, the document helps to organize a body of work originally created by many current and former U.S. Soccer coaches as position statements regarding club soccer or as curriculum for coaching education courses. It serves as a compilation of what U.S. Soccer considers to be an appropriate and responsible approach to developing soccer players.
